**Note:**

Vilhelm Marstrand (1810–1873) and Louis Gurlitt (1812–1897) both studied at the Royal Danish Academy of Fine Arts in the early 1830s and were close personal friends. Marstrand executed at least one other portrait of Gurlitt.

Two photos found among the personal papers of Cornelius Gurlitt in Salzburg show the picture hanging on the wall of the Gurlitt family residence.

In summary, it is highly unlikely that the painting is Nazi-era art. The Lost Art entry was thus deleted.

**Disclaimer:**

The research of the Taskforce Schwabing Art Trove focused exclusively on the provenance of the artwork described in this report. This report does not purport to make pronouncements on any legal claims and legal positions. The head of the Taskforce Schwabing Art Trove is responsible for the contents and the publication of this report.

The Taskforce endeavoured to ensure the accuracy and reliability of the information provided. No liability will be accepted for the accuracy of the used sources; the facts, and conclusions contained therein; the exhaustiveness of research and evaluation of the available source material; any analyses or conclusions drawn from the sources in the course of research; the findings on the subject of the report and how they were derived; the authenticity of the artwork, its attribution to a particular artist, or its monetary value; and/or conclusions drawn by third parties based on this report.

This report is based on the sources available at the time it was written. It is an interim report that may be revised and updated, should additional relevant material be discovered. The Taskforce Schwabing Art Trove welcomes any information that may augment or clarify the provenance of this work.
